- **RETENTION OF FINGERPRINTS,**
- **PRIVACY POLICY, AND**
- **RIGHT TO CHALLENGE AN INCORRECT CRIMINAL HISTORY RECORD**

This notice is to inform you that when you submit a set of fingerprints to the Florida Department of Law Enforcement (FDLE) for the purpose of conducting a search for any Florida and national criminal history records that may pertain to you, the results of that search will be returned to the Care Provider Background Screening Clearinghouse. By submitting fingerprints, you are authorizing the dissemination of any state and national criminal history record that may pertain to you to the Specified Agency or Agencies from which you are seeking approval to be employed, licensed, work under contract, or to serve as a volunteer, pursuant to the National Child Protection Act of 1993, as amended, and Section 943.0542, Florida Statutes. "Specified agency" means the Department of Health, the Department of Children and Family Services, the Division of Vocational Rehabilitation within the Department of Education, the Agency for Health Care Administration, the Department of Elder Affairs, the Department of Juvenile Justice, and the Agency for Persons with Disabilities when these agencies are conducting state and national criminal history background screening on persons who provide care for children or persons who are elderly or disabled. The fingerprints submitted will be retained by FDLE and the Clearinghouse will be notified if FDLE receives Florida arrest information on you.

Your Social Security Number (SSN) is needed to keep records accurate because other people may have the same name and birth date. Disclosure of your SSN is imperative for the performance of the Clearinghouse agencies' duties in distinguishing your identity from that of other persons whose identification information may be the same as or similar to yours.

Licensing and employing agencies are allowed to release a copy of the state and national criminal record information to a person who requests a copy of his or her own record if the identification of the record was based on submission of the person's fingerprints. Therefore, if you wish to review your record, you may request that the agency that is screening the record provide you with a copy. After you have reviewed the criminal history record, if you believe it is incomplete or inaccurate, you may conduct a personal review as provided in s. 943.056, F.S., and Rule 11C8.001, F.A.C. If national information is believed to be in error, the FBI should be contacted at 304-625-2000. You can receive any national criminal history record that may pertain to you directly from the FBI, pursuant to 28 CFR Sections 16.30-16.34. You have the right to obtain a prompt determination as to the validity of your challenge before a final decision is made about your status as an employee, volunteer, contractor, or subcontractor.

Until the criminal history background check is completed, you may be denied unsupervised access to children, the elderly, or persons with disabilities.

#### **435.07Exemptions from disqualification.—**

Unless otherwise provided by law, the provisions of this section apply to exemptions from disqualification for disqualifying offenses revealed pursuant to background screenings required under this chapter, regardless of whether those disqualifying offenses are listed in this chapter or other laws.

(1)The head of the appropriate agency may grant to any employee otherwise disqualified from employment an exemption from disqualification for:

- (a)Felonies for which at least 3 years have elapsed since the applicant for the exemption has completed or been lawfully released from confinement, supervision, or sanction for the disqualifying felony;
- (b)Misdemeanors prohibited under any of the statutes cited in this chapter or under similar statutes of other jurisdictions for which the applicant for the exemption has completed or been lawfully released from confinement, supervision, or sanction;
- (c)Offenses that were felonies when committed but that are now misdemeanors and for which the applicant for the exemption has completed or been lawfully released from confinement, supervision, or sanction; or
- (d)Findings of delinquency. For offenses that would be felonies if committed by an adult and the record has not been sealed or expunged, the exemption may not be granted until at least 3 years have elapsed since the applicant for the exemption has completed or been lawfully released from confinement, supervision, or sanction for the disqualifying offense.

For the purposes of this subsection, the term “felonies” means both felonies prohibited under any of the statutes cited in this chapter or under similar statutes of other jurisdictions.

(2)Persons employed, or applicants for employment, by treatment providers who treat adolescents 13 years of age and older who are disqualified from employment solely because of crimes under s. 817.563, s. 893.13, or s. 893.147 may be exempted from disqualification from employment pursuant to this chapter without application of the waiting period in paragraph (1)(a).

(b) The agency may consider as part of its deliberations of the employee's rehabilitation the fact that the employee has, subsequent to the conviction for the disqualifying offense for which the exemption is being sought, been arrested for or convicted of another crime, even if that crime is not a disqualifying offense.

(c) The decision of the head of an agency regarding an exemption may be contested through the hearing procedures set forth in chapter 120. The standard of review by the administrative law judge is whether the agency's intended action is an abuse of discretion.

(4)(a) Disqualification from employment under this chapter may not be removed from, nor may an exemption be granted to, any personnel who is found guilty of, regardless of adjudication, or who has entered a plea of nolo contendere or guilty to, any felony covered by s. 435.03 or s. 435.04 solely by reason of any pardon, executive clemency, or restoration of civil rights.
