

# Licensure Information for Applicants Educated outside the United States and in Non-NCSBN Jurisdictions

1) If you were educated outside the United States or in a Non-NCSBN jurisdiction (<https://www.ncsbn.org/contactbon.htm>) and are applying for exam, you are required to have your nursing education evaluated by one of the approved agencies listed below. Contact the agency of your choice and request the Full Education Course by Course Report. An original copy of the report must be sent to the Board of Nursing directly from the agency. You are responsible for all fees the agency charges for these services. After your application for licensure is processed and has been deemed complete, the Board of Nursing will review your educational evaluation and contact you with the status of your application in writing. Please ensure that your mailing address is up to date throughout the application process.
