LIVESCAN PRIVACY STATEMENT

I have **been provided and read** the statement from the Florida Department of Law Enforcement regarding the sharing, retention, privacy and right to challenge incorrect criminal history records and the "Privacy Statement" document from the Federal Bureau of Investigation. (**Found in Forms Section of this application**). The Board will not receive your Livescan results if you do not affirm the above statement by checking this box.

Electronic Fingerprinting: (Required for ALL applicants)

All applicants, including out-of-state and out-of-country applicants, are required to submit their fingerprints electronically. The Department of Health accepts electronic fingerprinting offered by Livescan device providers that are approved by the Florida Department of Law Enforcement. For a list of approved Livescan vendors, please visit our website at: <http://www.floridahealth.gov/licensing-and-regulation/background-screening/index.html>;

Typically background results submitted by Livescan are received by the Board within 24-72 hours of being processed. The Board of Nursing's ORI number is: **EDOH4420Z**. **The Board cannot accept hard fingerprint cards or results**. All results must be submitted electronically by the Livescan service provider.

Livescan screenings done by a Florida Police or Sheriff's Department require that you login to the FDLE Civil Applicant Payment System (CAPS) at <https://caps.fdle.state.fl.us> and pay a fee before results will be released to our office.

Applicants who reside in an area where no Livescan service providers are available or because of state laws prohibiting transmission of fingerprints electronically across state lines should contact a Florida Livescan service provider who has the capability to convert a traditional card (hard card) into an electronic fingerprint card.

Because the Florida Department of Health retains fingerprints on any applicant who is required to undergo a criminal history screening as of January 1, 2013, those prints are retained in the Care Provider Clearinghouse. This Clearinghouse allows for the sharing of criminal history information among specified agencies.

One of the requirements for your Livescan to be retained in the Clearinghouse is a photograph taken by the Livescan service provider at time of fingerprinting. If your Livescan is completed without a photograph, you may have to undergo additional fingerprinting in the future.

Livescan service providers that offer hard card conversion to electronic fingerprinting (Livescan) can be found at <http://www.flhealthsource.gov/out-of-state-providers>

Florida Center for Nursing:

The Florida Center for Nursing is the definitive source for information, research, and strategies addressing the dynamic nurse workforce needs in Florida. The Center conducts multiple annual and biennial research projects, including nurse employer and nursing program surveys, to provide a comprehensive look at Florida’s nurse population.

Based on this research, the Center projects a severe nursing shortage in Florida – a shortage that could have a devastating impact on health care quality and access for Florida's residents. The Florida Center for Nursing also uses the research it produces to address issues of supply and demand and utilization of scarce nurse workforce resources throughout the state.

In addition to nurse workforce research, the Florida Center for Nursing aims to improve the retention and recruitment of nurses in Florida through funding small grants and also by collecting and disseminating information on best practices and innovative strategies for nurse retention and recruitment. Increasing production of new nurses alone will not resolve the shortage. Efforts must be taken to retain the experiential knowledge of our existing nurses.

To learn more about Florida’s nursing shortage and suggested solutions, for more information about the Center, and to understand how your contribution will be put to work, please visit the Center’s website at: <http://www.flcenterfornursing.org/Donations/HowyourdonationshelptheFCN.aspx>

The Florida Center for Nursing’s operating revenues are derived in part from your donation. In order for the Florida Center for Nursing to continue its work on behalf of nurses, please donate by going to their website or by adding your donation with your application fee.

This notice is to inform you that when you submit a set of fingerprints to the Florida Department of Law Enforcement (FDLE) for the purpose of conducting a search for any Florida and national criminal history records that may pertain to you, the results of that search will be returned to the Care Provider Background Screening Clearinghouse. By submitting fingerprints, you are authorizing the dissemination of any state and national criminal history record that may pertain to you to the Specified Agency or Agencies from which you are seeking approval to be employed, licensed, work under contract, or to serve as a volunteer, pursuant to the National Child Protection Act of 1993, as amended, and Section 943.0542, Florida Statutes. "Specified agency" means the Department of Health, the Department of Children and Family Services, the Division of Vocational Rehabilitation within the Department of Education, the Agency for Health Care Administration, the Department of Elder Affairs, the Department of Juvenile Justice, and the Agency for Persons with Disabilities when these agencies are conducting state and national criminal history background screening on persons who provide care for children or persons who are elderly or disabled. Your Social Security Number (SSN) is needed to keep records accurate because other people may have the same name and birth date. Disclosure of your SSN is imperative for the performance of the Clearinghouse agencies' duties in distinguishing your identity from that of other persons whose identification information may be the same as or similar to yours.

Licensing and employing agencies are allowed to release a copy of the state and national criminal record information to a person who requests a copy of his or her own record if the identification of the record was based on submission of the person's fingerprints. Therefore, if you wish to review your record, you may request that the agency that is screening the record provide you with a copy. After you have reviewed the criminal history record, if you believe it is incomplete or inaccurate, you may conduct a personal review as provided in s. 943.056, F.S., and Rule 11C-8.001, F.A.C. If national information is believed to be in error, the FBI should be contacted at 304-625-2000. You can receive any national criminal history record that may pertain to you directly from the FBI, pursuant to 28 CFR Sections 16.30-16.34. You have the right to obtain a prompt determination as to the validity of your challenge before a final decision is made about your status as an employee, volunteer, contractor, or subcontractor.

Until the criminal history background check is completed, you may be denied unsupervised access to children, the elderly, or persons with disabilities.
