D. Legislative Issues

1. Nurse Licensure Compact and NLC Public Records Bills
2. ARNP/PA Prescriptive Authority Bills
3. MQA Legislative Package

Mr. Baker gave an update on the 2016 session, which is scheduled to end on March 11th. Bills of interest to the BON are moving forward and he thanked Rep. Pigman and Sen. Grimsley for their hard work as bill sponsors. The Florida Justice Association is questioning the sovereign immunity clause of the Nurse Licensure Compact legislation and the stakeholders are optimistic those concerns can be overcome as the bills move forward. The ARNP/PA prescriptive authority legislation is anticipated to pass this year and is supported by the FMA for the first time. The MQA legislative package contains sections to abolish the CNA Council and align CNA in-service hours with their biennial renewal instead of being tracked by calendar year. Mr. Baker indicated he would continue to update the board members via e-mail as the session progressed.
